Effective March 27th 2018

This notice describes how our office operates. Please read this notice carefully so that you are aware of what is expected from you, and you understand what to expect from our optometry practice and optical dispensary. Any exceptions to these policies are at the discretion of management.

- 3. Health Insurance and Vision Benefit Plan Coverage Information:** We are happy to answer any questions about in-network health insurance coverage to the best of our ability; however, we don't always have access, or the resources, to obtain your coverage information. We encourage you to contact your insurance company and obtain details about your vision coverage.
 - Per your insurance, verification of eligibility and benefits is NOT a guarantee of payment. Payment is determined when the claim arrives and is processed with its provisions and guidelines found in your benefits package; therefore, if your health insurance or vision benefit plan denies, changes, and/or recoups payment for services that you received at our office, it is your responsibility to pay the remaining balance.
 - If we have not received payment from your insurance or vision benefit plan within 6 months from the date of service, it is your responsibility to pay the remaining balance.
 - If your insurance company denies reimbursement for your visit for any unexpected reason, it is your responsibility to pay the remaining balance.
- 4. Outstanding Balances:** All balances must be paid in full before additional appointments can be scheduled with the optometrist.
- 5. Balances Over 90 Days:** Any remaining balance on your account over 90 days past due will incur a finance charge of 1.5%. Balances over 180 days past due are subject to collections. Patient is responsible for all late fees, financing charges, collection and legal fees associated with past due balances.
- 6. Forms of Payment:** We accept all major credit cards (except American Express), cash, check, Care Credit, HSA and FSA accounts, as forms of payment. Personal checks that are returned for non-sufficient funds will incur a \$50 processing fee.
- 7. Out-Of-Network Insurance Reimbursements:** Dr. Michael Noble and Dr. Alma Fuentes are out-of-network providers with certain insurance carriers. This simply means that you have to pay out-of-pocket at the time of your appointment. You may be eligible to submit your out-of-pocket expenses to your insurance company. An itemized receipt will be offered to you for your records and reimbursements. Our staff is not authorized to contact any out-of-network insurance providers on your behalf.
- 8. Requesting Prescriptions and Pupillary Distance:** Our office adheres to Washington State health regulations for optometry and ophthalmic dispensing. After your comprehensive eye exam is completed, we will provide a copy of your prescription, in paper or electronic format. We will also give you online access to your personal health record where you can access your prescription upon request. If you wish to obtain your pupillary distance (PD), there's an additional service fee of \$25 to perform this measurement.

SCHEDULING APPOINTMENTS

2. **Same Day Cancellations and Missed Appointments for Exams:** We understand unexpected events occur out of our control therefore no action is taken the first time you make a same day cancellation; however, the second time you make a same day cancellation a fee of \$50 will be assessed. A scheduled appointment will not be allowed to be made without payment of the fee. If you “no call, no show” to your appointment a \$50 fee will be assessed immediately. A scheduled appointment will not be allowed to be made without payment of the fee.
